The Change Catalogue

As of: _____

This completed worksheet will give you a snapshot of all the changes impacting your people	
1. List all changes impacting your people Whether you are directly or indirectly responsible for the project, if there is a change, a project or an event impacting your people, list it here.	**2. Who is leading this change?** Where is the change coming from? Are you leading the change, or is another or function initiating a change impacting your people?
